Re: Notice of Oral Ex Parte Communication
ET Docket No. 04-37

Dear Ms. Dortch:

This is to notify you, pursuant to Section 1.1206 of the Commission's Rules that Steve Greene on behalf of Amperion and myself on behalf of the United Power Line Council (UPLC), met today with Robert Pepper of the Office of Strategic Planning and Policy Analysis to discuss issues related to the above-referenced proceeding.

During the meeting, Amperion reported on its field deployments and the UPLC discussed industry developments. The substance of the discussions was consistent with the comments of the UPLC and Amperion as filed on the record in this proceeding.

If there are any questions concerning this matter, please contact the undersigned directly.

Very truly yours,

Brett Kilbourne
